AGENCY SUMMARY:

Justice Resource Institute is a non-profit 501(c)(3) human services agency. Justice Resource Institute (JRI) is dedicated to addressing the most confounding challenges of both the human services and educational systems and the persons and families these systems were created to serve. JRI pursues the social justice inherent in opening doors to opportunity and independence. Although our range of services is as varied as those we serve, our approach is uniformly characterized by compassionate support, innovation, and community leadership. We work in partnership with individuals, families, communities and government to address their shared challenges in a comprehensive, coordinated, systematic, and effective manner. JRI seeks new knowledge and improved evidence-based practice, in research and in the field, in order to inform our continuous search for excellence in service.
