Pikachu came to visit!

Meadowridge Academy had an amazing Easter weekend filled with:

- Easter Baskets for everyone filled with treats
- An Easter Egg Hunt that spanned the entire campus and included over 200 hidden eggs
- An Easter Feast for all our students
- Meadowridge is a homelike environment where we celebrate together and bake together!

In this issue:

- Easter Celebration
- Celebrate our intern
- Vacation Week Fun
- The always popular Dog of the Month

On the morning of April 1st, the Easter Bunny stopped by!

April was Action Packed with Fun!

Our Students got to see one of the first Red Sox games of the season. They braved unusually cold April weather and got to see the Sox play amidst a historic win streak!

Wacky Wednesdays in Art class engage students in project based assignments that help teach skills like self-regulation, teamwork, and problem solving!

Pictured: Assistant Clinical Director Erin Lunn and our wonderful intern, Hawa, celebrating her nomination for JRI Intern of the year!

Meadowridge Academy helps train the clinicians of tomorrow through unique field study opportunities that include expert supervision and amazing trainings!

By interning at Meadowridge Academy, Masters students are getting an experience that will prepare them to be talented clinicians in the future.

On School Break our students got to enjoy hiking trips to purgatory chasm, chocolate factory tours, the basketball hall of fame, and duck boat adventures in Boston!

Off campus adventures and activities help our students explore their sense of self and discover who they want to grow into . We offer our students daily opportunities to try new things and develop new skills!

Meet Max

Meadowridge Academy utilizes Animal Assisted Therapy. The incorporation of animals into existing therapeutic practices has proven to create an atmosphere of calm empathy where a student feels safe and capable of exploring their best self.
