

# THE TERRIER TIMES

Newsletter Date: July 31, 2018

Volume 15, Issue 5

Happy  
Summer!

## In this issue:

- A new suite on campus!
- Volunteering in the community
- Meadowridge Softball
- The Dog of the Month

Lots of exciting changes here at Meadowridge Academy this summer.

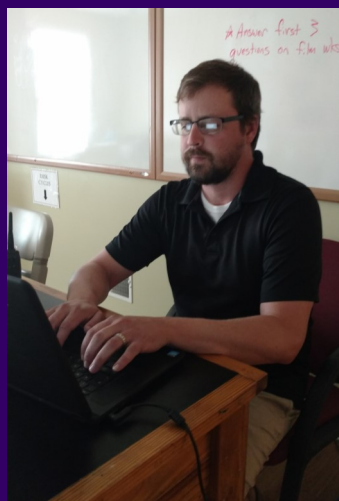

We welcome James "JD" Falvey, our new Program Director!

Congratulations to Erin Lunn, our new Clinical Director!

And Congratulations to our English teacher, Jay, for earning his Masters degree!

## Transitional Living Suite

The Transitional Living suite is a new addition to our campus! Here, students preparing to transition out of Meadowridge Academy can learn the skills necessary for success.

These students plan out their week, manage a budget, prepare dinners and coordinate schedules. Students are expected to utilize effective communication and planning skills to work together.

## Volunteering in the Community

Students have been volunteering weekly at a town farm that donates all of its produce to local food banks! Here students learn the power of giving back to their community. Additionally, students have learned how to identify certain plants, how to till soil and make vegetable beds.

## Meadowridge Softball is Back!

For another summer, JRI program's play against each other in our softball league. This is a great opportunity for student's to show off their athletic talent and get the chance to play on a team.

Teamwork, dedication and sportsmanship are just some of the skills learned from playing on Meadowridge's team.

## Meet Dobby

AKA Tiny Dog, AKA T. Dobbs,  
AKA Lil' Man, AKA TD, AKA Ti-  
ny Dog Dobbs

Meadowridge Academy utilizes Animal Assisted Therapy. The incorporation of animals into existing therapeutic practices has proven to create an atmosphere of calm empathy, where a student feels safe and capable of exploring their best self.

**Breed:** Chihuahua/Dachshund

**Age:** 10 months
