

BAY COVE ACADEMY

NEWS LETTER

December 2018

BCA THANKSGIVING

We have a lot to be thankful for at Bay Cove Academy. We celebrated the season with a friendly staff and student dodge ball competition at the West End House. Afterwards, we enjoyed a very special Thanksgiving lunch prepared by our very own students and clinician, Linda.

SEASON OF GIVING

This term, our clinical group is partnering up with the JRI Adoption and Foster program to sponsor a child's holiday wish list. We are all very excited to be involved with this incredible program!

If you would like to shop for a child on the list, contact JRI Foster Care & Adoption Program at (508) 821-7774 for more information.

SELF CARE TIP

Add something green to your space! Studies have shown that green has calming effect on the brain.

Try a plant, new shirt, or accent pillow.

STAR TREATMENT

Star Market presented our school with a donation for the holiday season. We will be using this to experience the diversity of holiday celebrations around the world. Students will be preparing different dishes from various cultures.

Students are encouraged to share ideas for dishes that are important to their own families and cultures, or to research a culture they are interested in learning about.

Student Shout Outs!

- Congratulations to our Student Council Election participants! Everyone put in great effort with their speeches. We now have new elected representatives!
- This month, our students had MCAS testing. They worked really hard. We are so proud of the dedication and perseverance they showed!
- Thank you to the Thanksgiving meal preppers! Awesome job!

PARENT'S CORNER

-The next Parental Advisory Group (PAG) is going to be in March.

-We are sending home photo consent forms for students that do not have them already. Please make sure to sign them and send them back, so your student can have their photos included in our newsletter and yearbook!

PLEASE PARDON OUR DUST

We are happy to announce that Bay Cove Academy is getting a face lift! We will have construction crews working on updating the building for the coming weeks. The construction will be happening in phases, and during non-school hours, as to be the least intrusive to our students and the great

work they are doing. Main entrances will be temporarily impacted from time to time. We will be seeing changes to both the inside and outside of the building. Our students are so excited to see the transformation as it unfolds, and so are we! We will be posting photos of the progress as it happens.
