

# BAY COVE ACADEMY NEWSLETTER

June 2019

## STUDENT SUMMER JOBS

During the summer term, our Career Development department offers students increased opportunities to have internships both on and off campus internships. Students are encouraged to talk with a career counselor on a career they are interested in.

### Current Openings

On Campus: Birthday Baker, Kitchen Assistant, Assistant Yearbook Editor, Gardening Assistant

Off Campus: Bodega Assistant, Dog Walker, TJ Maxx Associate, The Clayroom, Whole Foods Associate

## GRADUATION

Get ready to flip your tassel, it is graduation time at Bay Cove Academy! We will be celebrating on June 13th with a ceremony and luncheon for family and friends of the graduates. We are so proud of our graduates and all of the hard work they have put in. We can not wait to celebrate with them!

## COMMUNITY GARDEN

Our garden is growing! We currently have tomatoes, peas, radishes, basil, cucumbers, cherry tomatoes, zinnias, and marigolds. One of our students works to care for our plot, as well as the community garden as a whole.

## FIELD TRIP WEEK

It is that time of year again! Bay Cove Academy's annual field trip week will be happening the week of June 17th. Staff will be working in teams to plan field trips for each day of the week. A permission slip will be sent home with a checklist for which days students would like to attend.

## NEW STAFF ALERT

We would like to extend a warm Bay Cove Academy welcome to Katie Killian, our new History teacher! Katie comes from a diverse teaching background, and has taught in both Boston and London schools. She speaks English, Spanish, Portuguese, and French, and has an interest in music's influence on culture. Welcome to the team, Katie!

## KEY DATES

**Last Day of Term 4**  
6.14.19 (11 AM Dismissal)

**Graduation**  
6.14.19

**Field Trip Week**  
Monday - 6.17.2019  
Tuesday - 6.18.19  
Wednesday - 6.19.19  
Thursday - 6.20.19

**No School**  
6.21.19

**Summer Term Begins**  
6.24.19

**Report Cards**  
6.21.19

## BLUE HILLS FIELD TRIP

Our field trip committee planned another great field trip! Last month, our students and staff took a trip to Blue Hills for a hiking field trip. While there, students hiked the trail, engaged in bird watching, and had a picnic. We love providing these opportunities for students and staff to engage in positive experiences.

## SELF CARE TIP OF THE MONTH

Give sugar scrubs a try! Using a sugar scrub exfoliates your skin, increases blood flow, removes dead skin, and leave your skin feeling silky smooth.

### Luxurious Sugar Scrub Recipe

- 1 Cup of granulated sugar (white or brown)
- 1/2 cup of oil (coconut oil works great)
- Essential oil of your choice (optional)
- 1 small jar or storage container

### Directions:

1. Mix sugar and oil together in air tight container
2. Add desired drops of essential oil

**Pro tip:** Add coffee grounds for some added exfoliation.

### How to use:

Use one tablespoon as needed in the shower. Massage into the skin and rinse off completely.

Add a nice bow and this recipe makes a great gift!

## PARENT'S CORNER

-Field Trip Week and Field Day is coming up! Keep an eye out for permission slips!

## MATHLETES

Last month, Bay Cove Academy students joined students from other JRI day schools for a Mathletes Competition at Granite Academy. Students worked in teams to solve math equations and puzzles. These equations and puzzles covered many different math subjects, including algebra, geometry, arithmetic, probability, and

statistics. Our students also enjoyed lunch with their fellow JRI mathletes.

Thank you so much to Granite Academy for being such wonderful hosts. A special thank you to the teachers and staff who worked so hard to make this event happen. We are already looking forward to the next one!
