The list of child care providers and preschools preceding this page were verified for accuracy as of September 16, 2020

If you would like to search for possible additions to the list or if you need information on cost, you can go to the Mass. Dept. of Early Education and Care's website and search for center-based and/or home-based caregivers by town. Some preschools are not required to be licensed and would not be included in the EEC list.

Information about Child Care Subsidy Vouchers

Approximate wait time for income-based subsidy openings, as of September 2020, is one year.

Regional offices serving Massachusetts residents provide free information and referrals to families who are in need of childcare as well as information on the statewide childcare subsidy wait list. They can also answer specific questions about a home-based or center-based program you are considering to care for your child

Child care vouchers are available to those who qualify based on income and "activity". Activity requirements are that parent(s) in the home are working a minimum of 20 hours per week for part-time care or 30 hours per week for full-time care, or they are in school (other than graduate school) for those same hours. Children must be citizens of the U.S. Parents or children with a diagnosed and documented disability or special need may be eligible. Grandparents with custody of their grandchildren are also eligible to apply.

If you are eligible in the "general income-based" category, it can take 12-18 months for your name to move up the list so if you anticipate needing childcare within that time frame you should consider applying now. Vouchers usually have a co-pay amount in addition to the subsidy. When your name comes up on the wait list you will have 8 weeks to meet the activity requirement. To see if you may qualify for financial assistance for child care, before- and after-school care, and/or summer care, check the income eligibility guidelines:

<https://www.mass.gov/files/documents/2019/10/01/smi-income-eligibility-fy2020.pdf>

You can be screened for voucher eligibility over the phone by calling 211, or by filling out your information at www.mass211.org.

You can also contact the Resource and Referral office that serves your town:

This agency also offers a Nanny Referral Service for a \$75 fee.

Informal In-home Child Care with a Voucher

Families who qualify for a child care subsidy can have their child care provided by an adult in the child's own home, or by a relative of the child in the relative's own home. This does not require a license from the state. In order for the child care provider to be paid through the voucher system, informal caregivers must register with the Dept. of Early Education and Care (links below).

Relative Child Care Providers:

A grandparent, aunt, uncle or sibling (18 yrs. & older) of the child can provide care after passing a sex offender registry check (SORI, takes 3-6 weeks). Relative must be able to prove the relationship with documentation. Care may be provided in the child's home or in the relative's home.

Non-Relative Child Care Provider:

Care must be provided in the child's home by a neighbor, friend, or non-biological relative. Caregiver must pass SORI, CORI, and DCF background checks and be fingerprinted before beginning care.

Resources for Family Child Care

Family Child Care Association

<http://familychildcareassoc.com>

familychildcareassoc@gmail.com

FCCA provides referrals, educational and support services to families and licensed family childcare providers in **Bedford, Westford**, Billerica, Burlington, Chelmsford, and surrounding areas. The objectives of the Association are to assist providers in maintaining the highest quality of care that promotes the physical, intellectual, emotional, social development of children. **Licensed provider listing on website**, in addition to information helpful to those looking for child care.

Nanny Share Service

Guidepost At Home helps parents connect with other parents who have similar personalities and parenting styles and would like to share the cost of a Nanny.

Nannies who work for the agency are trained in Montessori-based child development techniques and follow a structured day with built-in socialization with another child. Nannies are background checked, reference checked, and employment taxes & paperwork, health insurance and workers comp are taken care of. Find out more at:

<https://athome.guidepostmontessori.com/>

The Council of Social Concern Family Childcare System (FCS)

The FCS places children aged 2 months thru 5 years in the homes of licensed, experienced family childcare providers. Subsidized tuition assistance is available on a sliding scale basis to low- and moderate-income families. FCS staff visit each family childcare home at least once per month to monitor the quality of care provided in each contracted childcare home, assess each child's developmental progress, and consult with providers. The program's primary service area includes: **Acton, Bedford, Boxboro, Hudson, Maynard, Stow and Sudbury**. Contact sandy@socialconcern.org or 781-935-6495 x218.

AFFORDING the CO\$T of PRESCHOOL

In addition to the scholarship programs below check the individual preschool listings for those programs that offer private scholarships and apply directly to the school.

CONCORD AREA PRESCHOOL ASSOCIATION

Marcia Stern Scholarship Program

Contact: Anita Stevanazzi-Hill, 978-318-3045

Tuition assistance to families of preschool children living in Concord, Carlisle and the surrounding towns, or to children attending a Concord area preschool. Families can receive only one \$1,500 tuition grant per child in a given year. Priority is given to 4 or 5 year olds who have not attended preschool and will begin school next fall.
