The Center for Trauma and Embodiment	Needham, MA	Experiences of psychological trauma profoundly change our relationship to our body. The Center for Trauma and Embodiment at JRI is dedicated to researching, developing and training providers in effective, trauma-informed practices that help survivors safely re-connect to their body so that they may engage more fully with their life.	Currently CFTE has one master's level internship placement to offer per year. Candidates pursuing a degree in counseling or social work are encouraged to apply.	Please email a brief statement of interest, academic requirements, and resume to Jennifer Turner, jturner@jri.org by 2/1/2020 to be considered for the 2020 academic year.
