**The list of child care providers and preschools preceding this page were verified for accuracy via websites, EEC licensing website and direct email as of November 28, 2022**

If you would like to search for possible additions to the list or if you need information on cost you can go to the Mass. Dept. of Early Education and Care's website and search for center-based and/or home-based caregivers by town. Providers have the option of listing their space availability on this site. Religious, public-school-based and Boys & Girls Club programs are not required to be licensed and may not be included in the EEC list.

### Information about Child Care Subsidy Vouchers

**Approximate wait time for income-based subsidy openings, as of June 2023, is 16 months.**

Child care vouchers are available to those who qualify based on income and "activity". Activity requirements are that parent(s) in the home are working a minimum of 20 hours per week for part-time care or 30 hours per week for full-time care, or they are in school (other than graduate school) for those same hours. Children must be citizens of the U.S. Parents or children with a diagnosed and documented disability or special need may be eligible. Grandparents with custody of their grandchildren are also eligible to apply.

If you are eligible in the "general income-based" category, anticipate the wait time when deciding when to apply. Vouchers usually have a co-pay amount in addition to the subsidy. Here is information on the co-pay amounts: [EEC Parent Fee Calculator \(caspio.com\)](https://caspio.com/EEC-Parent-Fee-Calculator)

When your name comes up on the wait list you will have 8 weeks to meet the activity requirement. To see if you may qualify for financial assistance for child care, before- and after-school care, and/or summer care, check the income eligibility guidelines:

<https://www.mass.gov/doc/state-median-income-smi-eligibility-chart-fy2023/download>

You can be screened for voucher eligibility over the phone by calling 211, or by filling out your information at

**You can also contact the Resource and Referral office that serves your town:**

Regional offices serving Massachusetts residents provide free information and referrals to families who are in need of childcare as well as information on the statewide childcare subsidy wait list. They can also answer specific questions about a licensed home-based or center-based program you are considering to care for your child. Contact the office that serves your town below.

If you live in **Boxboro or Harvard** contact: Anthony Rossi, [arossi@sevenhills.org](mailto:arossi@sevenhills.org) or 978-602-8651 (email is best) at the Child Care Resources Fitchburg office. They are open 7:00-4:00.

If you live in **Maynard or Sudbury** contact: Marybeth Brown, [marbrown@sevenhills.org](mailto:marbrown@sevenhills.org) or 508-796-1838 at the Child Care Resources Worcester office. They are open 7:30-4.

## **Informal In-home Child Care with a Voucher**

Families who qualify for a child care subsidy can have their child care provided by an adult in the child's own home, or by a relative of the child in the relative's own home. This does not require a license from the state. In order for the child care provider to be paid through the voucher system, informal caregivers must register with the Dept. of Early Education and Care.

### Relative Child Care Providers:

A grandparent, aunt, uncle or sibling (18 yrs. & older) of the child can provide care after passing a sex offender registry check (SORI, takes 3-6 weeks). Relative must be able to prove the relationship with documentation. Care may be provided in the child's home or in the relative's home.

### Non-Relative Child Care Provider:

Care must be provided in the child's home by a neighbor, friend, or non-biological relative. Caregiver must pass SORI, CORI, and DCF background checks and be fingerprinted before beginning care.

Details for this type of care is available in this document, Section 10.08 (2) (b)

## Resources for Family Child Care

### **Family Child Care Association**

[Find Child Care - FCCA \(familychildcareassoc.com\)](#)

[familychildcareassoc@gmail.com](mailto:familychildcareassoc@gmail.com)

or 978-435-0402

FCCA provides referrals, educational and support services to families and licensed family childcare providers in **Bedford, Westford**, Billerica, Burlington, Chelmsford, Dracut, Lowell, Tewksbury, Waltham and surrounding areas. The objectives of the Association are to assist providers in maintaining the highest quality of care that promotes the physical, intellectual, emotional, and social development of children. **Licensed provider listing on website**, in addition to information helpful to those looking for child care.

### **The Council of Social Concern Family Childcare System (FCS)**

[Family Childcare System – Council Of Social Concern](#)

The FCS places children aged 2 months thru 5 years in the homes of licensed, experienced family childcare providers. Subsidized tuition assistance is available on a sliding scale basis to low- and moderate-income families. FCS staff visit each family childcare home at least once per month to monitor the quality of care provided in each contracted childcare home, assess each child's developmental progress, and consult with providers. The program's service area includes: **Acton, Bedford, Boxboro, Hudson, Maynard, Stow and Sudbury**. Contact [sandy@socialconcern.org](mailto:sandy@socialconcern.org) or 781-935-6495 x218.

### **Family Child Care at Hanscom Air Force Base**

[Family Child Care | 66th Force Support Squadron \(hanscomfss.com\)](#)

The Hanscom Family Child Care program offers families alternative childcare in a less structured home-like environment. Family Child Care Providers are able to accommodate parents' various work schedules with full- and part-time drop-in, weekend and evening care.

Providers receive extensive training in child development, Positive Guidance Techniques, CPR, first aid, health, safety, fire prevention, nutrition, reporting of child abuse, and food handling before obtaining a license. FCC homes are licensed by the group commander in coordination with health, fire & safety agencies, and are monitored by the Family Child Care Coordinator. **781-225-6121**

### **CARE.com**

You can set up a free account to search for nannies available near your zip code. Information about their background, education and experience is available. Information is available on Nanny tax obligations as well as HomePay, a service for members whereby taxes are calculated and tax forms are filed for you. <https://www.care.com/hp/nanny-tax-guide>

### **In-Home Referrals**

For families interested in pursuing in-home (nanny) care, Child Care Circuit provides a comprehensive information services for \$75. This includes referrals to various nanny and au pair agencies as well as valuable information regarding nanny selection and hiring. Whether you are looking for a babysitter or nanny on your own or wish to use an agency, the information provided will be useful.

## **Preschool**

Preschool Inspirations

### **10 Things You CAN Do!**

It is especially helpful for children to attend a preschool in the year before they begin kindergarten. If you are not working or attending school and thus not eligible for a subsidy to assist your child in attending preschool, here are some ideas. If you need help with any of these ideas, email Linda: [lmattthews@jri.org](mailto:lmattthews@jri.org)

**1)** Check with the preschools on this list that offer tuition assistance scholarships for financial aid.

- 2) Apply for a regional-based scholarship at one of the two organizations below.

**CONCORD AREA PRESCHOOL ASSOCIATION  
Marcia Stern Scholarship Program**

Contact: Anita Stevanazzi-Hill, 978-318-3045

Tuition assistance to families of preschool children living in Concord, Carlisle and the surrounding towns, or to children attending a Concord area preschool. Families can receive only one \$1,500 tuition grant per child in a given year. Priority is given to 4 or 5 year olds who have not attended preschool and will begin school next fall. Families can qualify if they make up to 100% of State median income.

**ACTON-BOXBOROUGH-HARVARD-LITTLETON  
EARLY CHILDHOOD COUNCIL SCHOLARSHIP  
PROGRAM**

Contact: [ABHEarlychildhoodcouncil@gmail.com](mailto:ABHEarlychildhoodcouncil@gmail.com)

Partial tuition assistance is available to eligible working families. Applicants must be a resident of, or child must attend a preschool in, Acton, Boxborough, Harvard or Littleton. Parents must be working 20 hours minimum and be at or below 85% of the State Median Income level. Certain exceptions may apply. 4 year olds who have not attended preschool are prioritized.

- 3) Contact the Social Worker for your town to see if there are any current programs that would financially assist your child in attending preschool before kindergarten.

- 4) Participate in First Connections' weekly free age-based playgroups, including a Pre-K group during the summer before kindergarten begins. [www.firstconnections.org](http://www.firstconnections.org)

- 5) Attend free storytimes and activities at your local library to increase pre-literacy skills. Many libraries have science and play-based activities for preschool age children in addition to storytimes. Check out books and read to your child every day.

Sign up for their emailed newsletters so you know what's coming up in case registration is required.

- 6) Make regular visits to The Discovery Museum in Acton during their "First Friday Free" hours (4:30-8:00) each month. These also happen EVERY Friday during the summer. The hands-on science, engineering and math activities provide invaluable experiences for your child's learning.  
<https://www.discoveryacton.org/>

- 7) Join a local parent association and participate in playgroups with other children your child's age to enhance socialization skills. These groups often have low-cost yearly membership fees which include your participation in all activities.

- 8) If you do not have transportation during the week to attend these types of programs taking place in the community, contact First Connections to be able to participate in the **Parent-Child+ Program** where an early learning specialist will visit your home twice a week with toys and books to help you help your child get ready for Kindergarten. This is a free program.

Contact [firstconnections@jri.org](mailto:firstconnections@jri.org).

- 9) Periodically fill out an Ages & Stages Questionnaire to be sure your child's developmental milestones are where they should be based on birthdate. If they're not, you can receive free services from early intervention prior to age 3, and from public schools starting at age 3. Email [espringer@jri.org](mailto:espringer@jri.org) with your child's birthdate.

- 10) See if you financially qualify for Head Start:

<https://massheadstart.org/>

There are no Head Start programs located in First Connections' catchment towns, but if your family is eligible financially you can apply directly to the program closest to where you live. Meals are provided, and children with disabilities are encouraged to apply. Some programs may provide transportation in certain circumstances.

Head Start provides free comprehensive early education and support services for children age 3-5 and their families. To find out if your family income is at or below the Federal Poverty Guideline check here:

<https://aspe.hhs.gov/poverty-guidelines>

Some exceptions may be made for families moderately over these amounts. If your family or child receives any of the following benefits, your child is categorically eligible: **TANF, SSI, Child is a Foster Child, Family is Homeless**
