

ELIZABETH K. HOPPER, PH.D.

Curriculum Vitae

Massachusetts Licensed Psychologist #8093

ehopper@jri.org

CURRENT POSITIONS

Director of Training and Education, JRI Institute for Dissemination, Evaluation, and Advancement of Trauma-Informed Care (IDEA)	2023-
Clinical Director, Massachusetts Justice and Equity for Child Trauma	2023-
Co-Director, National Center for Child Trafficking	2021-

EDUCATION

Postdoctoral Fellowship 2003	The Trauma Center Two year fellowship for a specialization in traumatic stress
Doctor of Philosophy, 2001 <i>Clinical Psychology</i>	Saint Louis University, St. Louis, MO (APA Accredited Program) <u>Dissertation:</u> Psychological resiliency and coping in battered women (Defended 11/00). Honore Hughes, Ph.D., Chair.
Master of Science, 1999 <i>Psychology</i>	Saint Louis University, St. Louis, MO (APA Accredited Program) <u>Master's Thesis:</u> Hardiness and coping with stress. Honore Hughes, Ph.D., Chair.
Bachelor of Arts, 1995 <i>Psychology</i>	New College of the University of South Florida, Sarasota, FL The Honors College of the Florida University System <u>Honors Thesis:</u> Psychological vulnerability and psychosocial variables associated with recovery from the trauma of rape. Charlene Callahan, Ph.D., Chair.

SUPERVISORY AND ADMINISTRATIVE EXPERIENCE

Co-Director, National Center for Child Trafficking (NCCT)	2021-
--	--------------

Co-director of a SAMHSA-funded resource center whose goal is to establish collaborative, consistent, and integrated trauma-informed responses for youth and families who have been impacted by commercial sexual exploitation and trafficking. Responsible for development of the Consensus Mental Health Treatment Guidelines for Youth Impacted by Trafficking, development of the NCCT Webinar Series, collaboration with NCCT advisory board and consultants, and oversight of center activities.

Director of Training and Education, JRI Institute for Dissemination, Evaluation, and Advancement of Trauma-Informed Care (IDEA)	2023-
--	--------------

Responsible for development, review, and dissemination of materials related to trauma-informed care across the agency. Provide training, education, supervision, and consultation related to traumatic stress and trauma-informed care. Participate as part of the JRI Training team and with JRI committees related to trauma and trauma-informed care.

Clinical Director, Massachusetts Justice and Equity for Child Trauma	2023-
---	--------------

Oversee the provision of evidence-based trauma interventions for marginalized children and families exposed to complex trauma across the Commonwealth of Massachusetts. Provide clinical supervision to a team of psychologists and social workers offering clinical services.

Program Director, Metropolitan Boston Complex Trauma Treatment Initiative **2018-2023**

Directed a regional SAMHSA-funded program, the Metro Boston Complex Trauma Treatment Initiative (MB-CTTI), that delivered evidence-based trauma interventions to high-risk and under-served complex trauma-exposed children and youth ages 0-21 living in the Metropolitan Boston region. Oversaw a team of trauma clinicians in the provision of EBPs and supported the infrastructure and capacities of program partners in order to increase sustainability of trauma EBPs over time.

Co-Chair, Mental Health Council, HEAL Trafficking **2017-2024**

Co-developer and chair of a council focusing on the intersection between physical and mental health in trafficking survivors, within an international organization with a membership of cross-discipline healthcare providers. Responsible for planning training events and resource development.

Program Director, New England Coalition Against Trafficking **2017-2021**
2008-2010

Program Director of a regional anti-trafficking coalition encompassing six states in New England. Oversee all program activities, including training, public awareness, outreach to high-risk populations, and victim identification and referral. Provide supervision to graduate student interns.

Senior Manager **2018-2020**
The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

Provided leadership and oversight to the Trauma Center. Responsible for budgetary oversight and grants management; hiring, supervision, and support of personnel; development of vision and future planning; and ensuring programmatic activities within clinical, research, and training arms of the center.

Director of Clinical Supervisory Services **2018-2020**
The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

Responsible for oversight of the clinical supervision team at the Trauma Center, which provided supervision for all clinical cases within the center.

Program Director, Project REACH **2006-2020**
Associate Director, Project REACH **2003-2006**

Program Director of a program that offered direct services to victims of human trafficking in the United States, trainings on human trafficking, and consultation to other providers on the traumatic impact of human trafficking. Responsible for all program activities and management of staff and consultants. Developed a postdoctoral fellowship track within this program. Provided mentorship to graduate students in internship positions. Offered supervision to student and community volunteers.

Associate Director of Training **2007-2016**
The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

Responsible for running the Certificate Program in Traumatic Stress Studies at the Trauma Center, a nine-month certificate program with weekly meetings. Ran the Regional Training Series at the Trauma

Center, a program that held multi-day trainings on trauma-related issues throughout the New England area. Worked with the Director of Training to facilitate the Trauma Center's Training Institute.

Senior Supervisor 2006-2020
Clinical Supervisor 2001-2006

The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

Supervisor and group facilitator of clinical consultation groups within the Certificate Program, providing consultation to psychologists, psychological interns, social workers, licensed mental health counselors, and other mental health workers from the New England region. Offered individual supervision to clinicians, postdoctoral fellows, and psychological trainees within the Trauma Center.

Co-Chair, The TRuST Collaborative 2017-2020

Co-developer and co-chair of the leadership team for a national organization comprised of mental health professionals engaged in anti-trafficking work. Responsible for communications, planning events, and offering trainings within the Collaborative.

CLINICAL EXPERIENCE

Psychologist 2018-
Private Practice 2004-2013

Provide psychological assessment and individual therapy to a range of clients, ages teen to older adult. Presenting issues include: mood disorders, anxiety disorders, trauma, adjustment concerns, eating disorders, substance use concerns, developmental disorders, personality disorders, and interpersonal/relational issues.

Staff Psychologist 2001-2020
The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

Provided individual, family, and group therapy with traumatized children, adolescents and adults. Conduct screens/intakes, trauma/sexual abuse evaluations, and projective and psychological testing.
Supervisors: Fran Grossman, Ph.D; Joseph Spinazzola, Ph.D.; Margaret Blaustein, Ph.D.; Kristine Kinniburgh, LICSW; Sara Stewart, Psy.D; Patti Levin, Psy.D.; Kevin Becker, Psy.D

Traumatic Stress Expert Consultant 2006-2007
St. Mary's Women's and Children's Center, Caritas Christi Health Care System

Responsible for provision of biweekly training and consultation on assessment and treatment of traumatic stress as it pertains to women and children who are impacted by trauma, substance abuse, and homelessness.
Supervisor: Joseph Spinazzola, Ph.D.

Trauma Consultant 2006-2007
Youth on Fire Program, Cambridge Cares About AIDS

Developed and conducted an organizational assessment of the Youth on Fire program, a program serving homeless and at-risk youth in the Boston metropolitan area.
Supervisor: Joseph Spinazzola, Ph.D.

Crisis Responder 2002-2007
Lead Response Team, Community Services Program, The Trauma Center

Member of the Lead Response Team, a trauma-trained team that responds to crises in the community. Provide assistance at trainings for community members. Responsible for leading orientation groups and coping skills groups. Provide supportive services after community-based critical incidents.

Supervisor: Steven Grosse, L.M.H.C.

First Responder Psychologist
September 11 Response Team, The Trauma Center
New York, NY

2001-2002

Member of a team of psychologists and mental health clinicians who responded to the mental health needs of survivors of the September 11 attacks in New York City.

Supervisor: Kevin Becker, Psy.D.

Psychology Intern
Medical College of Virginia

2000-2001

Inpatient Psychiatry Rotation: Provided short-term individual therapy to inpatients from Affective Disorders, Dual Diagnosis, Medical Psychiatry, and Geriatric Teams; led biweekly group process therapy with inpatients; conducted psychological evaluations; part of a multidisciplinary team serving Medical Psychiatry patients.

Supervisor: James B. Wade, Ph.D

Consultation/ Liaison Rotation: Conducted psychosocial evaluations of liver transplant candidates; provided short-term individual therapy to medically ill patients (HIV+ patients, chronic pain patients, transplant candidates, eating disordered patients); conducted neuropsychological evaluations.

Supervisors: Mary Ellen Olbrisch, Ph.D., ABPP, Deborah Haller, Ph.D.; Robert Hart, Ph.D.

Outpatient Psychiatry Rotation: Conducted court-ordered forensic evaluations, including competency and mental state evaluations; provided short-term individual therapy to patients referred from the Anxiety Disorder Clinic; provided psychological evaluations through the outpatient clinic.

Supervisors: J. Randy Thomas, Ph.D.

Psychological Trainee
Saint Louis University Psychological Services Center

1996-2000

Responsible for providing comprehensive outpatient psychological services to individuals in the St. Louis metropolitan area, including children, adolescents, adults, couples, and families. Presenting problems ranged from depression and anxiety disorders to personality disorders. Services included: cognitive and educational evaluation, personality assessment, and individual, couples, and family therapy. Provided supervision to less advanced graduate students.

Supervisors: Michael J. Ross, Ph.D., ABPP; Alyson Aviv, Ph.D.; Paul Handal, Ph.D.; Honore Hughes, Ph.D.; and Joan Oliver, Ph.D.

Practicum Clinician
Saint Louis University Psychological Services Center

1998-1999

Provided consultation services for State of Missouri Department of Elementary and Secondary Education, Section of Disability Determinations. Conducted cognitive testing, educational evaluations, neuropsychological testing, mental status examinations, and psychological evaluations to identify disabling conditions. Worked with a diverse client population, including low-income clients, minorities,

and clients with physical limitations and/or medical complications. Evaluations also addressed the issue of malingering and secondary gain.

Supervisor: Phyllis Terry Friedman, PhD.

Children's Case Manager
Manatee Glens Community Mental Health Center

1995-1996

Assessed clients' needs and linked clients and their families with programs and services in the community. Worked with the Manatee and Sarasota County School Systems to monitor clients' status and to develop student goal plans. Facilitated a behavioral management group for the parents of children with Attention Deficit Hyperactivity Disorder.

Supervisor: Libby McGinn, M.S.

Psychiatric Technician
Coastal Recovery Centers, Crisis Stabilization Unit

1994-1995

Monitored suicidal and homicidal children and adolescents in a Crisis Stabilization Unit; responsible for implementing a structured behavioral modification program. Facilitated a Goal-Setting group, a Life Skills group, and a Community group. Offered individual crisis counseling to children and adolescents.

Supervisor: Chuck Daly, L.M.H.C.

CONSULTATION AND OTHER PROFESSIONAL EXPERIENCE

Expert T/TA Consultant

2022-

Provide training and technical assistance for a variety of non-governmental organizations, including The National Safe Place, the Youth Collaboratory, Dignity Health, St. Thomas University, ALSO Chicago, HEAL Trafficking, and others.

Expert T/TA Consultant,
Lutheran Social Services (LSS)

2022

Provide individual technical assistance to case managers, clinicians, and other staff providing services and support to asylum-seekers, refugees, victims of human trafficking, unaccompanied children, and others caught up in forced migration contexts on to provide information, offer guidance, and build skills on trauma, indicators of trauma, Secondary Traumatic Stress, and strategies for building resilience. Provide group sessions with program staff (i.e. case managers serving Afghan Allies, clinicians and program coordinators serving asylum-seekers and victims of human trafficking, social workers serving unaccompanied children) to provide consultation and support around Secondary Traumatic Stress and to build skills on serving survivors of trauma.

Expert T/TA Consultant,

Office for Victims of Crime Training and Technical Assistance Center (OVCTTAC)

2018-

Provide national training and technical assistance for a federal victim services agency.

Expert T/TA Consultant,

National Human Trafficking Training and Technical Assistance Center (NHTTAC)

2017-

Provide expert consultation on development of training materials for national T/TA program. Provide national training and technical assistance.

TEACHING EXPERIENCE

Faculty, Human Trafficking Investigator Course
DHS Center for Countering Human Trafficking 2024
Training faculty for a human trafficking course for special agents, victim assistance specialists, forensic interview specialists, intelligence specialists, and other federal law enforcement officials.

Faculty, John J. Brunetti Human Trafficking Academy 2020-2022
St. Thomas University College of Law
Training faculty for an intensive training/ certification on human trafficking for legal and non-legal professionals.

Faculty, Sex Trafficking Advanced Victim Assistance Training
National Organization for Victim Assistance (NOVA) 2019-2022
Training faculty for NOVA's Sex Trafficking Advanced Victim Assistance Training course

Trainer, NORC at the University of Chicago 2020-2021
Provide training and consultation on the development of trauma-informed research protocols for vulnerable populations research, focusing on human trafficking.

Faculty, The Certificate Program in Traumatic Stress Studies 2007-2020
The Trauma Center at JRI
Faculty member within the Trauma Center's Certificate Program in Traumatic Stress Studies, teaching on Complex Trauma, Vicarious Trauma, Components-Based Psychotherapy, Relational Approaches, Traumatic Experience Integration, and Future Directions in the Trauma Field.

Senior Training Faculty, The Training Institute 2005-2020
The Trauma Center at JRI
Provide contracted trainings on Complex Trauma, Vicarious Trauma, Trauma-Informed Care, Trauma Sensitive Yoga, Components Based Psychotherapy, ARC (Attachment, Regulation, and Competency) Framework

Invited Presenter 2003-2020
Project REACH, The Trauma Center
Provide trainings on human trafficking and trauma to mental health clinicians, social service providers, law enforcement, and others. Over 300 trainings on human trafficking and the biological and psychological response to trauma have been provided at various locations throughout the United States.

Instructor, Trauma and Body-Oriented Intervention 2011
Massachusetts School of Professional Psychology
Taught a course on Trauma and Body-Oriented Intervention to graduate students in a professional psychology program.

Guest Lecturer, Trauma Psychology 2006
Lesley University
Taught a seminar on complex trauma to undergraduate students in a trauma psychology course.

Guest Lecturer, Psychological Assessment; Culture and Mental Health 2003-2004
Division of Psychiatry, Boston University School of Medicine

Taught seminars for psychiatry residents on objective and projective psychological assessment and on cultural factors relating to mental health.

Guest Lecturer, Objective Personality Assessment 2000
Medical College of Virginia

Presented a seminar on objective personality testing to psychiatry residents at the Medical College of Virginia

Instructor, Psychological Testing 1999
Maryville University

Taught an undergraduate course in Psychological Testing, Summer 1999, covering cognitive testing, objective and projective personality testing, and neuropsychological testing. Discussed ethical issues associated with assessment, including testing diverse populations.

Supervisor: Dennis Shay, Ph.D.

Instructor, Abnormal Psychology 1999
Saint Louis College of Pharmacy

Taught an undergraduate course in Abnormal Psychology, Spring 1999. Responsible for all course activities, including lecturing, designing exams and other assignments, grading, and providing student feedback.

Supervisor: Peter Hurd, Ph.D.

Instructor, Principles of Psychology 1998
Saint Louis College of Pharmacy

Taught an undergraduate course in Principles of Psychology, Fall 1998. Responsible for all course activities.

Supervisor: Peter Hurd, Ph.D.

Instructor, General Psychology 1998
Saint Louis University, Department of Psychology

Taught an undergraduate course in General Psychology, Summer 1998. Responsible for all course activities.

Supervisor: Frank H. Gilner, Ph.D.

Teaching Assistant, Abnormal Psychology 1998
Saint Louis University Department of Psychology

Assisted with teaching responsibilities in an Abnormal Psychology course. Responsible for conducting review sessions for this course.

Supervisor: Frank H. Gilner, Ph.D.

Guest Lecturer, Personality Theory
Merrimac Community College, Department of Psychology

1997

Guest lectured on Personality theory in an Introductory Psychology course.
Supervisor: James Korn, Ph.D.

Guest Lecturer, Research Methods and Advanced General Psychology
Saint Louis University, Department of Psychology

1997

Guest-taught a Research Methods class, focusing on applications of psychology. Guest-taught an Advanced General Psychology class, focusing on memory.
Supervisor: James Korn, Ph.D.

RESEARCH EXPERIENCE

Grant Writer
Justice Resource Institute

2002-

Responsible for lead grant-writing for federal grants, as well as foundation grants, related to traumatic stress.

Research Associate,
Division of Psychiatry, Boston University School of Medicine
The Trauma Center, Brookline, Massachusetts

2001-2008

Participated in study design, project coordination, data collection, analysis, and presentation for several research projects. Coordinated a research project evaluating a school-based violence prevention program in the Boston Public Schools (Youth Unscripted). Served as project coordinator for an NIMH-funded RO1 grant assessing PTSD treatment outcome in a diverse trauma population comparing pharmacological versus exposure-based interventions.

Supervisors: Joseph Spinazzola, Ph.D., Bessel van der Kolk, M.D.

Clinical Research Psychologist, ARC Program
The Trauma Center at Justice Resource Institute, Brookline, Massachusetts

2006-2007

Worked as part of a research team evaluating the efficacy of a trauma-based framework for intervention with traumatized children and their families, the ARC Model (Attachment, Regulation, Competency).

Supervisors: Margaret Blaustein, Ph.D., Kristine Kinniburgh, LICSW

Graduate Research Assistant, Department of Psychology
Clinical Psychology Program, Saint Louis University, St. Louis, MO

1996- 2000

Projects: The impact of trauma on battered women and the children of battered women. Designed and conducted independent research projects. Responsible for subject recruitment, data collection, conducting literature reviews, supervision of research assistants, database management, and data analysis. Assisted in the organization, presentation, and interpretation of data for publication.

Supervisors: Honore M. Hughes, Ph.D. Terri L. Weaver, Ph.D.

GRANTS (Approximately \$8.5 Million in Federal Grant Awards)

2023-26 Dept. of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP)
Strategies to Support Children Exposed to Violence

\$1,000,000 for 36 months (10/1/23- 9/30/26)
